

Mission Statement

To advance waterfowl conservation practices that would benefit man and waterfowl alike. With the ultimate goal of preserving our American heritage of Waterfowling for future generations. To educate and instruct our members and others in legal and sound methods of hunting, boating, and gun handling. To encourage good sportsmanship and promote wildlife conservation.

Snow Geese Otter Slough

We meet at 7:30pm

On the second Wednesday of every month at:

Borgettis Bar & Grill

1667 South Old Hwy 141

Fenton, MO 63026

A Nonprofit Association
Of, By and For
Duck Hunters

**Mississippi Valley Duck
Hunters Association**

Who We Are

We are a grass roots non profit organization. For duck hunters and by duck hunters. Each member is an avid waterfowler. We meet each month where we have very interesting guest speakers that inform us on hunting techniques, conservation studies, essential equipment to take into the field and everything you need to know about Waterfowling. Like wise, the members share their techniques, tips, where the birds are at and the experiences for the wonderful sport we all enjoy. This is a great organization if you are interested in duck hunting and new to the sport to get new ideas and information on where to go in our local area.

Support of Organizations

We support many outstanding organizations such as Missouri Department of Conservation, Ducks Unlimited, Delta Waterfowl and the Conservation Federation of Missouri. Many of our members are active members of these fine organizations and also serve as their board members. We support many activities through out the area that promote the great sport of Waterfowling and its conservation.

Yearly Activities

We have annual activities where we spread the word about Waterfowling in our community or just enjoying each other's fellowship.

In the early Spring we get together for our annual fishing trip to **Lake Taneycomo** with a friendly fishing tournament.

Late Spring we have our annual trip to Perryville Community lake to enjoy that fishery.

We support the MDC goose banding events teaching young kids about the different aspects of Waterfowling.

In the early summer we get together with MDC with an evening shoot of clay pigeons out at Jay Henges range.

Each Fall we have representatives of MDC come and give the **projected duck status** to prepare ourselves for the upcoming season.

In December we have our annual **Christmas party** where we get together to exchange stories of year past.
